

# MISSION: GRAVITY GAME

Before cadets can join the **ASTROPOD™** crew, they must go through various training. One of which is the GRAVITY GAME. SPIN SPIN SPIN and SPIN, you will feel very disoriented inside. How long do you think you can withstand this machine?

## OBJECTIVE:

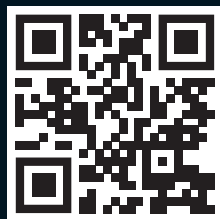

- 1) Follow instructions to build a GRAVITY GAME machine.
- 2) Insert training astronaut inside machine and start spinning!

Kid enjoying the MAT experience

# DID YOU KNOW?

The Multi Axis Trainer, or MAT, is an icon of space exploration and astronaut training. As your stomach stays in the centre of rotation, the rider can feel disoriented **without feeling dizzy** inside the machine.
